Welcome

Welcome to the early summer 2010 edition of Focus One Design's newsletter.

New and exciting things have been happening at

Focus One Design, with some much needed improvements.

Please review this newsletter - and [contact FOD](#) should you have any questions, thoughts or would like to offer your feedback. You can also stay up-to-date with the latest news via a RSS Feed.

Website: <http://www.focusonedesign.ca/>

What's happening at Focus One Design ?

New Professional Photography Blog

Have a look at: www.focusonedesign.ca/blog

Please offer your thoughts & comments, as feedback is always welcome. This is a much needed improvement for showing professional photos online - various photos are offered for your enjoyment. It also incorporates a full Blog page, so you can stay up-to-date with the latest messages.

E-Commerce Section coming soon...

Please note, improvements are still been made to this site which will include a brand new E-commerce / shopping cart so you can purchase a photo or two - watch for these great improvements coming soon.

Focus One Design is a full service design & development firm specializing in professional web and print services.

TWO NEW RSS Feed's

- [Photography Blog](#)
- [Focus One Design Website](#)

Subscribe to either, and/or both RSS Feed - One for Focus One Design, and one for the Professional Photography Blog - this will keep you up-to-date with all the latest news. Subscribe today and don't delay - stay up-to-date for the latest messages.

Micro-Site for FOD -

If you missed a previous Newsletter or Photo announcement - Please visit FOD's Micro-Site - www.graphicmail.ca/FODNews

Full Support Suite & Live Chat Options

Do you have a question or need instant help?

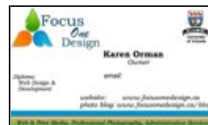

Try the live chat options, or submit a ticket. A ticket is just like a email message, but comes with a Ticket ID. With this system, you can log-in to review previous messages and keep track of tickets that you send.

Visit: www.focusonedesign.ca/support and check it out...full details can be found in FOD's April Newsletter: www.graphicmail.ca/FODNews

FOD Business Cards...

Would you like one ?

Focus One Design is pleased to announce new Business Cards...

Please [contact FOD](#) if you would like some, and I would be happy to send them to you. I would also ask that you please pass them around to your friends, family & colleagues as well.

New Dynamic Logo

Focus One Design is pleased to show-off a new dynamic animated logo.

Please visit the [website](#) to view. It is also on the [photo blog](#) - You can have something like this on your site to.

Online Payments with PayPal

Focus One Design is pleased to offer the ease of accepting [payments online](#).

Do this for your website deposit, final payment and updates & maintenance cost ... Pay Pal is very secure and is FREE to send money, however they charge me a small fee for receiving. You may want to start this process now, rather than sending a cheque in the mail. Pay Pal often takes the same amount of time for me to receive a cheque.

Please let me know and I would be happy to accept your payments this way. Just another way to make your life simpler with Focus One Design.

Focus One Design offers affordable & competitive prices and creates designs to fit your business, budget and project. Specializing in the latest technology, software and programs - offering you the best possible solution with professional results.

With Focus One Design the possibilities are endless...*Send in your ideas and requests...*

Visit FOD's [website](#) and [Contact FOD](#) today.

Marketing Ideas

Does your website need a new look? Is your site not bringing new visitors?

Do you need a Website, Updates to an existing site, Improvements made? Newsletter, Blog, Audio Podcasts, Logo, Professional Photography or Email Marketing Campaign?

What a better way to enjoy 2010 with a online or paper presence you can be proud of. Please feel free to [contact FOD](#) for more information.

Rich Internet Applications - Flash Effects

How would you like Flash effects on your website? Or how about a website built solely on Flash?

Adobe Flash is a multimedia platform used to add animation, video, and interactivity to Web pages. Flash is frequently used for slide-shows or advertisements. A tool for "Rich Internet Applications" ("RIAs").

Coming Soon...

- Content Management Systems (CMS), Blogs and Newsletters...
- Enhancements & added features to created sites
- E-Commerce Section for [FOD Photo Blog](#)
- Personal Website & Photo Blog - for friends & family only...

Watch for these coming soon
